

Mac's Cheer Try Out Update:

We will not be accepting new team members at this time. In January, we will consider moving up White team members who have the skills and the desire to be on one of our competition teams. Our White Cheer Prep teams are currently all full. We have started a waiting list at the gym for those interested in joining our teams. We will be holding our 2007-2008 try outs in April 2007. We will update our website as we get closer to try outs.
